

## **End Of year Reports**

**Dear Parent/Guardian,**

**I hope that you and your family are keeping well during this very challenging time.**

**I have been very grateful for your patience and understanding during the past year as we have all faced unprecedented disruption to our daily lives including another enforced closure of the school during the Spring Term. The locality is again being hit hard with the new Delta Variant of Covid, with the school being notified daily of pupils going for PCR tests and of parents being tested positive. Thank you to all our parents who are currently following the guidelines and keeping their children home when tested positive and in helping us keep the virus away from school. With over 3000 pupils self-isolating in Flintshire alone at the end of last week, we will do all we can to try to get through to Thursday without any further disruption.**

**I am pleased to state that your son/daughter's report will be sent out in an email this week.**

**I hope that you will find the report informative given the circumstances. I do also respectfully request that you understand the complexities and challenges that staff in school have faced, when trying to finalise a report such as this for our students during a Covid 19 pandemic. Some aspects of the curriculum may not have been covered fully due to time away from school. Therefore, this report will mostly cover your child's strengths and achievements for the period before and after the enforced closure.**

**Due to Welsh Government Covid regulations, the report will not contain:**

- Attendance information**
- Test information**
- Year 2 Outcomes**
- Year 6 Levels.**

**With more details now emerging from Welsh Government regarding the return of pupils in September, I will be sending out further communications later this week to confirm our plans for the start of the Autumn Term.**

**Thank you for your continued support.**

**R Jones**
