Pennaeth/Headteacher

18 March 2020

Dear Parent/Carer

We have just heard via the same media sources as yourselves that schools will be closed from Friday at the latest. It is our intention to remain open until Friday to provide as much time as possible for all parents to make the necessary childcare arrangements. Further details in terms of distance learning over the coming weeks will be shared with all parents before the weekend. Please access the school website for information (www.derwenprimaryschool.com).

Please monitor National and local news for further updates. In terms of attendance on Thursday and Friday this week, we will leave that decision to you as parents based on the latest social distancing recommendations. Absences as a result will be treated as authorised.

Thank you for your cooperation in these most difficult of times.

Yours sincerely

R Jones
Headteacher
