

Roald  
Dahl

My book review

I love this book because it's  
super interesting and funny  
So I recommend you read it.  
It's about a girl called Sophie

who lives in a orphanage and a Giant  
called BFG takes her into Giant country  
where she meets horrible Giants and learns  
how to catch Dreams and the Queen  
help the BFG get the Bad Giants away.
