

The book that I'm writing about is called the worst
kids worst children 2 and the author is David
Walliams. The childrens names are Humbert the hungry
baby, Stacey SuperStar, Fussy frankie, Cruel Clarissa,
Harry who never ever did his homework, Grosse
Griselda, Spoiled Brad, Trish the Troll, Competitive
Colin and No No Nore. It's set in a fictional
town. There's a different story for every child
about how naughty and bad they are. My favourite
story is Harry who never ever did his homework
because it was scary and funny.

I enjoyed reading the book ^{because} it was easy
to read and follow, it was interesting beca
use it had different storys in. The funnest part
was Competitive Colin because of the funny
incidents he got himself into, I give the book
a five star rating.
