

# Summer Holiday

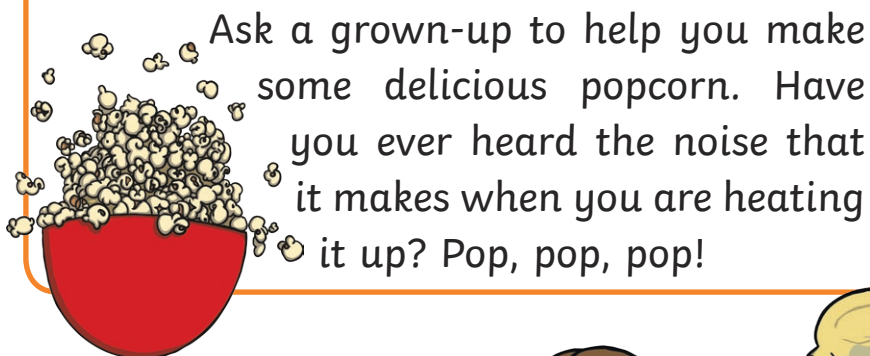

## Home Learning Challenges

Hooray, the summer holidays are here! What exciting things will you do? The summer holidays are a great time to go for a picnic. Could you help to make some tasty treats for everyone to enjoy? You could make some sandwiches or a tasty cake!

Can you make a rock creature? Look for a pebble or stone and then, paint it to look like a minibeast or an animal. If you have some googly eyes, you could glue these on too. Perhaps you could make a whole family of rock creatures?

Have a movie night and make some popcorn.

Ask a grown-up to help you make some delicious popcorn. Have you ever heard the noise that it makes when you are heating it up? Pop, pop, pop!

Have a water fight in a garden! How long can you try and stay dry before somebody soaks you! A great activity for a sunny day!

Can you make your own ice lollies or flavoured ice cubes? Ask a grown-up to help you prepare them and then, check on them later to see how they have changed. You will enjoy having these on a hot day.

Have you ever been on a bus? Plan a journey to somewhere fun, such as a park or zoo, and go on the bus. What can you see from the window? Can you play 'I spy' with the things you can see on your journey?
